

## Information Pack: Cattle Foot Bath

- ✓ Non-slip exposed aggregate finish to floor
- ✓ Angled step in and out for uninterrupted passage along the race
- ✓ Fit over channel or on floor
- ✓ Quick and simple drain system
- ✓ Narrow top surface to prevent cattle trying to bypass the bath
- ✓ The same width as our cattle race slats

Designed to fit above our 700mm slurry channel in conjunction with our Diagonal Cattle Race slats to provide an integrated foot care system.

Length - 3500mm  
Width - 950mm  
Floor Thickness - 150mm  
Upstand height - 200mm  
Unit Weight - 1300Kg
